| 3310 | [P] Infinite Shelter | Task    | New         | Normal        | The Task: To provide a different form for creating an Article Content Type, depending on the role (Drupal 9.5) | 2024-07-12 02:16 PM | Drupal                  |          |                |
| 3260 | [P] Infinite Shelter | Task    | New         | Normal        | scrape H3 titles from wsj.                                                                                     | 2024-06-03 11:52 PM | DEV ROR JS              |          |                |
| 3259 | [P] Infinite Shelter | Task    | New         | Normal        | talk about panama papers again                                                                                 | 2024-06-03 10:23 PM | 2D Content              |          |                |
| 3258 | [P] Infinite Shelter | Task    | New         | Normal        | Talk about twitter files                                                                                       | 2024-06-03 10:23 PM | 2D Content              |          |                |
| 3228 | [P] Infinite Shelter | Task    | New         | High          | Scraper: get the whole list of all videos of a channel, into a db (paginate)                                   | 2024-06-03 09:13 PM | DEV ROR JS              |          |                |
| 3227 | [P] Infinite Shelter | Task    | New         | Normal        | Create a *selenium* project driven by *ruby* to fill out web forms                                             | 2024-06-03 09:13 PM | DEV ROR JS              |          |                |
| 3186 | [P] Infinite Shelter | Task    | New         | Normal        | email filters, should be able to "sort by new"                                                                 | 2023-10-17 06:54 PM | DEV RoR ( PiousboxCRM ) |          |                |
| 3137 | [P] Infinite Shelter | Task    | New         | Normal        | Write a Drupal controller (form submission method) that publishes to Instagram, when some Content is created   | 2023-10-03 06:59 PM | Drupal                  |          |                |
| 3136 | [P] Infinite Shelter | Task    | New         | Normal        | Replicate eafit.edu.co in Drupal                                                                               | 2023-10-03 06:59 PM | Drupal                  |          |                |
| 3135 | [P] Infinite Shelter | Task    | New         | Normal        | Translate wasyaco.com to spanish                                                                               | 2023-10-03 06:59 PM | Drupal                  |          |                |
| 3110 | [P] Infinite Shelter | Task    | New         | Normal        | Fix a deprecation error in drupal rules module                                                                 | 2023-10-03 06:59 PM | Drupal                  |          |                |
| 2879 | [P] Infinite Shelter | Task    | Will Not Do | Low           | UIUX for 3dbusinesscards.com                                                                                   | 2023-10-05 07:37 PM | UIUX                    |          |                |
| 2847 | [P] Infinite Shelter | Task    | New         | Normal        | Looking for a video editor                                                                                     | 2024-06-03 09:12 PM | 2D Video                |          |                |
| 2844 | [P] Infinite Shelter | Task    | Done        | Normal        | Implement a minimal Capacitor app (on android) to play a local mp3 file                                        | 2023-03-08 03:30 PM |                         |          |                |
| 2823 | [P] Infinite Shelter | Task    | New         | Informational | a js library that zip-merges pdf documents                                                                     | 2024-05-24 07:22 PM |                         |          |                |
| 2805 | [P] Infinite Shelter | Task    | New         | Normal        | 1d writing: contractor: regurgitate                                                                            | 2022-12-21 12:34 PM | 1D Writing              |          |                |
| 2803 | [P] Infinite Shelter | Task    | New         | Normal        | Announcement: The team adds AI-assisted writing capabilities.                                                  | 2022-12-23 09:36 AM | 1D Writing              |          |                |
| 2802 | [P] Infinite Shelter | Task    | New         | Normal        | Rewrite the case studies or add one                                                                            | 2022-12-12 02:35 PM | 1D Writing              |          |                |
| 2796 | [P] Infinite Shelter | Task    | New         | Normal        | write about the art of collecting stones (suzeki) - next to art of fixing things with gold string.             | 2022-12-13 12:46 PM | 1D Writing              |          |                |
| 2795 | [P] Infinite Shelter | Task    | New         | Normal        | Contractor: Ruby on rails developer (newsitem pagination)                                                      | 2023-03-08 04:05 PM | DEV ROR JS              |          |                |
| 2786 | [P] Infinite Shelter | Task    | New         | Normal        | An article about brewing beer in-house                                                                         | 2022-12-04 01:03 PM | 1D Writing              |          |                |
| 2785 | [P] Infinite Shelter | Task    | New         | Normal        | Write a single test for wasya_co_wp_theme                                                                      | 2022-12-04 12:34 PM |                         |          |                |
| 2784 | [P] Infinite Shelter | Task    | New         | Normal        | writing: need the narrative story for the language vendor.                                                     | 2022-12-06 01:08 PM | 1D Writing              |          |                |

| #    | Project              | Tracker | Status | Priority | Subject                                                                                                                   | Updated             | Category   | Due date | Target version |
|------|----------------------|---------|--------|----------|---------------------------------------------------------------------------------------------------------------------------|---------------------|------------|----------|----------------|
| 2780 | [P] Infinite Shelter | Bugfix  | New    | Normal   | uiux: wasya.co language selector should look better on mobile                                                             | 2024-06-03 09:15 PM | Drupal     |          |                |
| 2762 | [P] Infinite Shelter | Task    | New    | Normal   | Content: Writing: Re-write the two case studies at WasyaCo.                                                               | 2022-11-26 12:36 PM | 1D Writing |          |                |
| 2760 | [P] Infinite Shelter | Task    | New    | Normal   | UIUX: Need the UI of Yandex Translate re-done in Figma                                                                    | 2022-11-26 12:37 PM | UIUX       |          |                |
| 2749 | [P] Infinite Shelter | Task    | New    | Normal   | Content: Economic Impact of Abortion Laws. Does pro-life policy increase supply of cheap labor?                           | 2022-11-26 12:47 PM | 1D Writing |          |                |
| 2732 | [P] Infinite Shelter | Task    | New    | Low      | age restriction modal must be back in, configurable per-install                                                           | 2022-12-02 09:20 PM | DEV ROR JS |          |                |
| 2723 | [P] Infinite Shelter | Task    | New    | Normal   | Writing: Write an exploratory article about Starkware                                                                     | 2022-12-21 06:09 PM | 1D Writing |          |                |
| 2722 | [P] Infinite Shelter | Task    | New    | Normal   | Rails: allow bulk-moving photos from one gallery to another                                                               | 2022-11-26 01:09 PM | DEV ROR JS |          |                |
| 2721 | [P] Infinite Shelter | Task    | New    | Normal   | Illustration: A sign held up at a protest                                                                                 | 2022-11-26 01:09 PM | 2D Content |          |                |
| 2720 | [P] Infinite Shelter | Task    | New    | Normal   | Illustration, Storytelling: A "cemetery" location, to be able to leave things there.                                      | 2022-11-26 01:09 PM | 2D Content |          |                |
| 2715 | [P] Infinite Shelter | Bugfix  | New    | Normal   | Changing a thumb of a Map should give you the option to change thumbs of all markers leading to this location.            | 2022-12-02 09:23 PM | DEV ROR JS |          |                |
| 2652 | [P] Infinite Shelter | Bugfix  | New    | Normal   | Use large photos in newsitemsGallery. thumbs look terrible                                                                | 2022-12-02 09:04 PM | DEV JS     |          |                |
| 2644 | [P] Infinite Shelter | Task    | New    | Low      | ItemModal should color match the theme. Right now, it's too light against dark theme.                                     | 2022-12-02 09:08 PM | DEV JS     |          |                |
| 2632 | [P] Infinite Shelter | Task    | New    | Normal   | wire quick comments? use any old plugin.                                                                                  | 2022-12-02 09:23 PM |            |          |                |
| 2628 | [P] Infinite Shelter | Task    | New    | Normal   | a newsitem that's not purchased should not be SEO-friendly, should not be so clickable.                                   | 2022-12-02 09:24 PM |            |          |                |
| 2618 | [P] Infinite Shelter | Task    | New    | Normal   | Illustration: the Language Learning room                                                                                  | 2023-03-06 05:49 PM | 2D Content |          |                |
| 2612 | [P] Infinite Shelter | Task    | New    | Low      | [parent] 2022-09 More Styling                                                                                             | 2022-12-02 09:23 PM | DEV JS     |          |                |
| 2586 | [P] Infinite Shelter | Task    | New    | Low      | [parent] 2022-09 User Interaction Improvements                                                                            | 2022-12-02 09:23 PM | DEV JS     |          |                |
| 2582 | [P] Infinite Shelter | Bugfix  | New    | Normal   | bugfix: gallery outside locations view must scroll!!                                                                      | 2022-12-02 09:15 PM | DEV JS     |          |                |
| 2579 | [P] Infinite Shelter | Task    | New    | Normal   | greatly reduce load of newsitems on api locationView. page size 10, and much less data there.                             | 2022-12-02 09:23 PM | DEV ROR JS |          |                |
| 2577 | [P] Infinite Shelter | Bugfix  | New    | Low      | Videos do not refresh on transitioning between locations, but should.                                                     | 2022-12-02 09:09 PM | DEV JS     |          |                |
| 2576 | [P] Infinite Shelter | Bugfix  | Done   | Normal   | Handle looks wrong when folded-right                                                                                      | 2022-12-02 09:22 PM |            |          |                |
