Yeah it takes a year to get to know a place, or whatever. I'm nearing a year in Austin. I like it there, almost making friends. Jordan, De, Heather, DJ's, Becca, maybe I can meet people at Zilker, maybe I can find a night club that's not bad? I had one saved. I should go out every weekend (three times!) and make use of every evening - either bjj, or salsa, or going out, or a broad, or at least exploring on the scooter, yoga, other dancing, zilker, actually lets have the calendar:

- 1, 2, 3: bjj, yoga, bjj
- 4: 6th st? variety? moon tower, little darlin, far out, cosmic coffee, anything.
- 5: 6th st or a night club?
- 6, My own house party or salsa, then rainey
- 7: my own BBQ, then zilker, voleyball

That sounds good. And I can take cooking classes or explore the domain sometimes. Or kayak with "friends". My life can be full. And losing $300 is nothing.

check out arcades (cidercade) in Austin.

- Yoga, arcades, salsa, boxing (or any striking), bonsai, competitive salsa
- bowling league
- zilker voleyball
- explore libraries
