| Description | | | |
| I want to make this a meme template, so it gotta be fairly simple. | | | |
| The focus front and center is on just one sign, although the setting is that this is happening in a crowd, at a protest. | | | |
| One of the slogans for the sign is: "SELL PUTS". Obviously the slogans will be interchangeable. Another slogan is: "Leverage is the root of all evil." | | | |
