Description			
<p>It is a title for the article, and the article needs to be written, for the title. The article actually has already been published, but I still need a page (4-6 paragraphs) of a description about the topic: https://wasya.co/2022/12/announcement-the-team-adds-ai-assisted-writing-capabilities/</p> <p>This article should be in the form of a PR (press release). You can look up various PR's by other companies to see the structure of such articles. For example, this is another PR released by WasyaCo: https://wasya.co/2022/11/wasya-co-announces-a-seed-round-of-funding/ You can use this PR as an example, and look up PR's on other topics by other companies, as examples.</p>
